HENRY SCHEIN®

Why This?

You know your supply list should continue to iterate and evolve, reflecting innovative products and competitive alternates, as well as new practices protocols, procedures, and preferences. But, assessing your supplies on a regular basis is time-consuming. Not to worry, we have done the legwork for you.

To help you save time, we have provided hundreds of high-quality, lower-cost dental supplies from both leading name brands and alternate brands, and included them in our Supplies Savings Guide. Enjoy!

If you have any questions, please reach out to us at support@tdsc.com.
